Pastors of TGSE#1,

In view of the current pandemic that we are facing in our country and the impact that is affecting our churches, the following is a checklist that will assist you in determining “*if*” and “*when*” you re-enter your church sanctuary for worship and/or gatherings of any kind

CHECKLIST PRECAUTIONS FOR CHURCH RE-ENTRY

Under the level one threat in accordance to Harris County Homeland Security, you are urged to:

- Stay home, unless you need to make trips to the grocery store for food and medicine
- Avoid and cancel all gatherings of any size
- Practice special precautions to prevent spread if you’re an essential worker.
- All vulnerable individuals (65+ or with pre-existing health conditions) stay home
- Self-quarantine for 14 days if in close and prolonged contact with someone who has tested positive with COVID-19
- Wear face coverings to protect others
- Avoid non-essential business and personal travel
- Avoid public transportation where possible
- Cancel visits to nursing homes, long term care facilities, and hospitals
